Description

The two-story Pickens is a four-bedroom, two-and-one-half-bath home that has a primary on the main level! A flex space is available just inside the front door, making it the perfect spot for a dining space or an office. An open kitchen, eating area, and great room are all open for entertaining. The primary bedroom leads to the primary bathroom and a generous walk-in closet. Each bedroom upstairs also has a walk-in closet, and they share another full bathroom. In addition, the second floor contains a loft space. A covered back porch off of the kitchen leads to the backyard.
