Description

A \$2,500 lender credit is available and will be applied towards the buyer's closing costs and pre-pays if the buyer chooses to use the seller's preferred lender. This credit is in addition to any negotiated seller concessions. This move in ready home (freshly painted) is nestled in the small subsection of Park West in Summerlin. One story with an open floor plan and gleaming hardwood floors throughout. Up front is a large flex space perfect for an office, study, or playroom. The dining room is large enough for all holiday gatherings. Just ahead is the center of the home - the Great Room. The gas fireplace and built in shelving coupled with a wall of floor to ceiling windows make this the heart of the home. The open floor plan flows into the kitchen. A bar seating area, plenty of prep space - including the island and lots of storage make this a cook's dream. Your breakfast nook for family dining opens to the backyard deck. On the other side of the home is the Primary Bedroom with a sitting area and plenty of natural light. The Primary bath has double sinks, large vanity, tub and walk in shower, and a large walk in closet. Two guest rooms, a guest bath with granite vanity and the laundry room complete this side of the home. The two car garage also has walk up storage! Whether you are relaxing on the large front porch or enjoying the backyard deck this home has plenty of outdoor enjoyable space. A private fenced backyard has plenty of room for games, a barbeque and relaxation. This home is move in ready, primary bedroom on main floor, fresh paint and waiting for your buyer!
