## Description

Nestled along the tranquil shores of Lake Murray, this rustic cedar-sided lake house offers a serene escape with breathtaking western views that come alive at sunset. The expansive fully screened deck spans the entire back of the house, providing the perfect spot to unwind while soaking in the picturesque scenery. Imagine sipping your morning coffee or evening drinks surrounded by nature's beauty. As you step onto the charming rocking chair front porch, you're welcomed by a sense of calm and relaxation. Inside, the main level features updated luxury vinyl flooring, combining style with practicality, creating a warm and inviting atmosphere. The great room is cozy and has a gas log fireplace and adjoins the eat in area of the kitchen that is looking out through French doors to the beautiful water views. The working zone of the kitchen, complete with refrigerator, range and dishwasher has newer granite countertops and a nice eat in area to enjoy dining while enjoying the water and sunset views. The primary bedroom is on the main level and has French doors that lead onto the fully enclosed screen porch. The main bath has a large whirlpool tub and separate shower. One additional guest bedroom and the utility room on this level ensures easy accessibility for visitors. Upstairs, you'll find two cozy bedrooms complete with a small loft area, ideal for reading or enjoying quiet moments. The walk-out basement is partially finished with a finished full bath making access from the water's edge very convenient! The basement walls are all sheet rocked and painted. This lake house offers the unique experience of living close to local amenities while still maintaining a sense of peaceful seclusion, making it the perfect retreat from the hustle and bustle of everyday life. With 1.12 acres there is plenty of room to add a detached Garage or Workshop. The possibilities are endless! It could be yours before the summer! Life is short - Buy the Lake House!
