Description

Cute one level home on a cul de sac with 3 bedrooms, 2 full baths, 2 car garage and private, fenced in yard. This adorable home features a large family room with fireplace and vaulted ceilings, fresh paint throughout, new carpet in the bedrooms and LVP flooring in the common areas. The layout is ideal with the family room separating the secondary bedrooms and bath from the primary suite which features tile floors, dressing area and walk in closet. The eat in kitchen is just inside the front door and the mud/laundry room provides access to the 2 car garage with small work bench. The private fenced in yard backs up to a nice wooded area and overlooks a small community pond. Because the home is in an X flood zone, flood insurance is NOT required! Right around the corner from local spots like Palmira Barbecue and House of Brews, this West Ashley community is surging in popularity. The Hemmingwood neighborhood has NO HOA and is an easy 15 minute drive to downtown and to the airport and is surrounded by all of life's conveniences like grocery stores, pharmacies and restaurants!
