Description

Located in the heart of Wheeler Hill/Wales Garden, this beautiful home offers unbeatable walkability to dining, shopping, parks, museums, and entertainment. It's not just a house—it's a lifestyle and a valuable long-term investment. Inside, you'll find elegant touches throughout: hardwood floors, high ceilings, a spacious living room with fireplace and bay window, formal dining room, and a large kitchen with solid surface counters, stainless steel appliances, and an eat-in or office nook. Enjoy your morning coffee on the screened porch overlooking a private courtyard. The second-floor primary suite boasts a renovated bath with double vanities, a huge walk-in shower, and private closet—plus stunning views of downtown and seasonal blooms. The third level makes a perfect guest or teen suite with skylights and full bath, while a fourth bedroom with its own bath is tucked away on the lower level. With charm, space, and location, this is a rare find and a smart move in Columbia's thriving market!
