Description

Spectacular panoramic views of Lake Murray! You cannot get any closer to the water without being on a houseboat. This charming home offers so many unique architectural features like gleaming hardwood floors from a previous school gym, a custom made portable kitchen island, a repurposed flag pole on the back deck, soaring vaulted wood ceilings and beams, and many others. This four bedroom, four and one half bath beauty has been a long loved vacation home. It is well suited for an investor looking for a second home with great rental opportunities. The amazing views of Lake Murray would also make this home a terrific primary residence. Two master bedrooms up with a spacious kitchen and VERY open great room for easy entertaining. Downstairs are two large bedrooms, one private bath and one shared full bath, another large gathering room perfect for a pool table, ping-pong table, movie room, all of the above and/or crafting space. This home also has special touches like an outdoor shower, a deep enclosed garage on the lower level, a sheltered patio for shuffleboard, an amazing, spacious back deck perfect for outdoor entertaining. A private dock with composite decking is only a few steps away from the back patio & deck. This is truly low maintenance lake living and perfect for creating fun, easy living on the lake.
