Description

Welcome to 173 Hainsworth - your personal vacation retreat, right in your own backyard. Just in time for Spring and Summer, enjoy relaxing by the saltwater pool or take a refreshing dip after a long day. Inside, gleaming hardwood floors flow throughout the main level, creating a warm and cohesive living space. The kitchen features granite countertops, a gas range, and a layout that opens to the family room - ideal for easy conversations during busy mornings or cozy evenings. On cooler nights, unwind by the gas log fireplace or invite friends over for a barbecue under the covered patio, complete with an outdoor fireplace. Upstairs, you'll find an oversized primary suite with hardwood floors, a spacious bathroom with double vanities, a garden tub, separate shower, and a large walk-in closet with built-in shelving. Two additional bedrooms share a convenient Jack-and-Jill bathroom. The FROG has previously served as a home theater but could easily become a fourth bedroom or flex space. Recent updates include a new HVAC system (2022), roof replacement (2018), and solar panels to enhance energy efficiency. The garage is ideal for a woodworking enthusiast, and the backyard sheds offer ample space for lawn equipment or extra storage. Don't miss out on this incredible opportunity - the only thing missing is YOU!
