## Description

Discover the perfect blend of Lowcountry charm and modern comfort in this stunning Charleston Single home on highly sought after Daniel Island! Custom-built and thoughtfully designed, the main residence features 4 spacious bedrooms, 3.5 baths, and a detached garage with a fully renovated 1 bed/1 full bath finished apartment, adding versatility and value to the property. Inside, the home has been thoughtfully updated to enhance both style and functionality. The renovated kitchen (2022) is a chef's dream, offering a beautifully designed space for cooking and entertaining. Step outside to enjoy the re-boarded deck and fire pit area (updated in 2023), the perfect setting for relaxing evenings or lively gatherings under the Charleston sky. Additionally, The roof has 40-year shingles and HVAC units were replaced between 2020-2022. The driveway was fully replaced in summer 2023. Ideally located across the street from a community pool, playground and park, this home offers easy access to outdoor recreation in a vibrant, family-friendly setting. Nature lovers and water enthusiasts will appreciate the nearby community boat ramp and tranquil tidal creek, perfect for kayaking, fishing, or simply soaking in the Lowcountry beauty. A scenic walking trail winds through the area, inviting residents to stay active and enjoy the outdoors with their pets and loved ones. This home is a true showcase of modern living, seamlessly blended with the timeless appeal of historic Charleston architecture. This is more than a home it's a lifestyle. Experience the best of Daniel Island living today!
