Description

Say hello to the Duncan, an exquisite end-unit townhome nestled within the scenic Carolina Groves community. As you approach the home, the picturesque views of ponds and wetlands frame your arrival. Conveniently located near the front of the community, this residence offers both accessibility and charm. Step inside, and you're greeted by a welcoming entry area with 9ft ceilings. To your right, the door leads to a spacious garage, while a generous landing area provides the perfect spot for everyday essentials. Moving forward, a broad hallway guides you to a large coat and storage closet, ingeniously utilizing the space beneath the stairs. A stylish powder room is nearby, ensuring convenience for guests and residents alike. The heart of the home reveals itself in the expansive kitchen. Here, a large granite island stands as the centerpiece, separating the culinary space from the open-concept living and dining areas. Gleaming granite countertops complement the designer gray cabinetry, creating a sophisticated and functional cooking environment. The kitchen is well-equipped with a gas range, an exterior-vented hood, a dishwasher, a microwave, and a refrigerator, making meal preparation both enjoyable and efficient. As you ascend the stairs, a cozy loft area awaits, offering a versatile space for relaxation or study. Adjacent to the loft is a convenient laundry area, thoughtfully positioned near the bedrooms. The master suite is a true retreat, featuring a spacious walk-in closet, a cathedral ceiling, and an en-suite bathroom designed for comfort and style. On the opposite side of the upper floor, two inviting guest bedrooms each boast vaulted ceilings, creating an airy and open feel. These rooms share a well-appointed full bathroom, ensuring ample space and convenience for family and visitors. The Duncan is more than just a townhome; it's a blend of comfort, style, and functionality, set in a community that offers both beauty and convenience. Discover your new home and embrace the serene lifestyle that Carolina Groves has to offer. All new homes include D.R. Horton's Home is Connected® package, an industry leading suite of smart home products that keeps homeowners connected with the people and places they value most. This smart technology allows homeowners to monitor and control their home from their couch or across the globe. Products include touchscreen interface, video doorbell, front door light, z-wave t-stat, and keyless door lock all of which are controlled by an included Alexa Dot and smartphone app with voice! Call to schedule your showing today and start envisioning your new life surrounded by nature's beauty! *Square footage dimensions are approximate.
