Description

This delightful 3-bedroom, 2-bathroom ranch home backs up to expansive open land. If you're interested in a partially furnished home, that option is available with this sale. The spacious great room features vaulted ceilings and flows seamlessly into the kitchen and dining area, all with durable LVP flooring. The kitchen boasts modern stainless appliances, stylish tile backsplash, pantry, and breakfast bar. The dining area, located just off the kitchen, includes a bay window with newer windows offering serene views of nature. A beloved feature of this home to enjoy the southern lifestyle is the screened porch with a knee wall and string lights. Or host a barbecue on the patio. The home's split-bedroom layout provides a primary suite with tray ceiling, newer windows, walk-in closet, and ensuite bath with a vaulted ceiling, linen closet, and transom window. Two guest bedrooms (one with a vaulted ceiling) and a guest bath with a transom window are located on the opposite side. All bedrooms come equipped with ceiling fans. The screen along the front of the garage is perfect for those who frequently use this space for more than parking their cars. Recent upgrades include a new HVAC unit in the attic (2024), outside condenser (2019) plus insulated water heater, washer, and dryer replaced (2018). This home also offers gutters with gutter guards, transferable termite bond, in-wall pest system, and a detached shed for convenient storage of yard equipment. You'll love calling Polo Farms home!
