Description

****Back on the market due to an impossible buyer**** Downtown Living Without the Downtown Price Tag Looking for a home that matches your lifestyle? This is the one. Just 0.4 miles from the shops and restaurants of The Village at West End, 1.3 miles to the green spaces of Unity Park, and a quick bike ride (1.7 miles) to Swamp Rabbit Cafe or Fluor Field—you're right where the action is without paying premium downtown prices. Step inside and you'll see what sets this home apart. Soaring 11-foot ceilings and gorgeous original hardwood floors—the kind you won't find in cookie-cutter new builds—bring warmth and character to a space that's made for both relaxing and entertaining. Out back, a deck overlooking a private, fenced backyard offers a perfect spot for morning coffee, weekend hangs, or winding down after a night out. Plus, the outbuilding gives you extra storage or a space to create your own studio, gym, or workspace. With 3 bedrooms and 1 bathroom, this home delivers both charm and functionality in a location that keeps you close to everything you love. Why settle for ordinary when you can live somewhere that fits your lifestyle you want ?
