Description

Welcome to your dream home located in the highly desirable Roper Mountain Estates! Your TLC and updates will make this house a wonderful home. This home offers an abundance of space for all of your needs! 5 bedrooms and 4 full bathrooms is just the beginning. The moment you step inside, you'll be captivated by the expansive vaulted ceilings that crown the living and dining areas, and the oversized windows that allow an abundance of natural light. Windows line the back of the house providing stunning views of the private wooded area. The thoughtfully designed layout of this home ensures both privacy and comfort for all. Two upstairs bedrooms are conveniently connected by a Jack and Jill bathroom. The primary bedroom features a custom laundry chute that leads directly to the laundry room for ultimate convenience. Additionally, a first-floor bedroom with an attached full bath provides the perfect private space for family members or guests, combining accessibility with comfort. The side-entry 2-car garage provides convenient access, while the basement offers endless possibilities, complete with an additional bedroom, full bath, and ample storage. The basement had work done after the recent hurricane and flooring will need to be done by the buyer. Whether you imagine creating a cozy entertainment area, a home gym, or a workshop, this space can accommodate it all. This property is more than just a house; it's the perfect place to create lasting memories. Conveniently situated close to a variety of shopping and entertainment options. Don't miss out on the opportunity to make it yours!
