Description

A rare find-more than 100 acres all together in a nicely laid tract of land with high land!! The property has been meticulously cared for by the owner with roads cut, trees trimmed and trails galore. The property has a 50' deeded access point from Highway 311. There is one small low area that would make an ideal pond, but you will love these hardwoods on this property. There are plenty of oak and pines and many wildlife tracts. The owner rarely hunts so the property has plenty of deer and turkey. Situated just minutes from Cane Bay shopping and grocery stores as well as the new Camp Hall facilities and interstate access. Buyer to verify anything deemed important. May require zoning to accomplish Buyer's use. Address number is for location and may change.
