Description

Experience timeless elegance and modern luxury in this custom-built home with stunning marsh views. A solid oak front door imported from Paris and a carved oak staircase post from the late 1800s set the tone for the home's exceptional craftsmanship. High-end finishes include wide-plank white oak floors, custom cabinetry, porcelain slab countertops with waterfall edge, handmade backsplash and fireplace, and a custom-designed stove hood. Chef's kitchen features a 6-burner range with griddle. French doors, ceiling fans throughout, and an elevator add comfort and convenience. Soaring ceilings--9' on the main level, 10' upstairs, with cathedral ceilings in the kitchen and family room--create a spacious feel. Double porches front and back offer seamless indoor-outdoor living. The primary suite boasts his and her walk in closets. A truly unique home with classic details and a breathtaking marsh views of tidal creeks and Bohicket
