Description

Wonderful opportunity for INVESTORS just outside of Downtown Greenville! This beautiful mid-century brick home offers ample space and minimal restrictions, allowing buyers to utilize the basement and additional building on the property for mid-term rentals (greater than 30 days), or house hack if desired. Featuring gorgeous hardwood floors throughout, a spacious floor plan, and an updated kitchen, this home is truly perfect. A new roof was installed in March 2025. The main level includes 3 bedrooms and 2 full bathrooms, providing convenient main-level living with laundry facilities located in the hallway. The walkout basement has various rooms and spaces, including a 1/2 bath, and can easily be converted into a second living area, complete with a separate outside entrance. Additionally, the lot features an adorable 30x16 outbuilding with electric that can be transformed for various uses—whether as a private space, small studio or an office. Accompanied by beautiful landscaping with established low-maintenance perennials, several mature fruiting trees: 2 figs, 1 pear, 1 crabapple and 2 apples and privacy fencing. Though located on N Pleasantburg, entrance to the property is from Mayfair with plenty of room for parking 2-4 vehicles. Don't miss out on this fantastic opportunity!
