Description

You have found a true and unique gem in Myrtle Beach! A must see in person to truly appreciate all this home has to offer! Perfect to store boats, trailers, RV's, motorcycles, and more behind your privacy fence. The just under 1 acre lot has lots of parking available and could easily fit twelve cars with ease. The home has four bedrooms that each have their own bathroom! Two separate living areas are upstairs, one with its own kitchen space. There are also two half baths, one downstairs and one upstairs. The large flex room downstairs is great for a home office or extra sitting room and could be made into a formal dining room. Perfect for large families, hosting, or even a live in nanny. In the private backyard you have a detached garage/workshop that also has a kitchen and a full bathroom and from there you walk in to your oversized sunroom. The sunroom comes completely furnished including a hot tub! The pavers along with the grill and bar area outside are the perfect place to entertain your family, friends, and guests. This is a home that is very hard to come by with all it has to offer in Myrtle Beach.
