Description

A rare opportunity to own nearly an acre of land in the heart of the Pinopolis Historic District with shared access to Lake Moultrie. Entering the home you are greeted by original woodwork from the 1940s in a large family room. Hardwood floors are throughout this single floor home. Every room has over 10 foot ceilings and crown molding. The roof was replaced in 2020 along with a renovation to the secondary full bathroom. Along with the interior charm of this home, there are three large oaks in the front yard that canopy over the facade of the house. The garage is an oversized two car garage with high ceilings allowing for a space to create extra storage. Do not miss the opportunity to own a charming piece of property in the Pinopolis Historic Village.
