Ideally located near parks, schools, and shopping in Spartanburg, this home blends vintage character with modern updates. Spend your afternoons relaxing on the classic rocking chair front porch, and your evenings in the private, newly fenced in backyard. Inside, the home is equipped with a generous living room with a cozy gas fireplace and a large dining room perfect for hosting family and friends. The vintage-inspired kitchen features tall white cabinetry, a smooth cook top, new dishwasher and an oversized butcher block island—ideal for casual meals or meal prep. All the bedrooms provide ample space, including two upstairs rooms that can easily accommodate two queen beds each. The downstairs bathroom has been completely renovated with a tiled shower, glass door, new vanity, and updated flooring. Upstairs, you'll find the original black-and-white tile paired with a new vanity, preserving the home's historic charm. A versatile landing area upstairs is perfect for a home office, reading nook, or play space. The back sunroom offers even more flexibility—great as a den, office, playroom, or creative studio. A detached one-car garage adds convenience and extra storage. Make this home your own and schedule a showing today! Please see full list of repairs/updates in documents.
