Description

Welcome to a nearly new home that blends clean design, thoughtful upgrades, and instant curb appeal--all in Mount Pleasant's most desirable zip code. Step inside to find a light-filled interior with refined finishes and a layout that makes daily life feel easy. The design is both functional and beautiful, with a primary suite on the main level and three oversized bedrooms upstairs--offering flexibility for families, guests, or both. There's even a home office and a secondary living space upstairs. Outside, the upgrades shine: brand new turf in the backyard creates a low-maintenance retreat that's perfect for play, pets, or simply enjoying a quiet afternoon. A brand new fence and professional landscaping add privacy, polish and curb appeal.
