Description

Discover your dream home in the heart of Otranto! This beautifully updated 3BR/3BA ranch (2,362 sq ft) offers brand new floors, fresh paint and an updated kitchen. The open-yet-defined floorplan features a built-in study, formal living or dining and a cozy family room with fireplace. But the real showstopper is the backyard: a sprawling, fully fenced oasis framed by mature trees, a great stone patio perfect for al fresco dining or festive gatherings, plus a screened porch for lazy summer evenings. Upstairs, the FROG adds extra living space or guest quarters. Garage kitchenette, brand-new HVAC, no HOA and tucked on a quiet cul-de-sac--this is family living at its finest!
