Newly Upgraded kitchen, bathrooms, laundry room, stairs, etc!! Discover the Perfect Blend of Comfort and Convenience in Murrells Inlet. If you've been searching for a spacious four-bedroom condo in the heart of Murrells Inlet, your search ends here. Located on the second floor, this beautifully maintained residence offers four generous bedrooms and two full bathrooms. The expansive living area is enhanced by soaring cathedral ceilings, creating an airy, open feel that seamlessly extends onto your private porch—a tranquil space overlooking a quiet golf course view with a wooded buffer for added privacy. Freshly painted and featuring a brand new air handler motor along with a professionally cleaned HVAC system, this home is truly move-in ready. Unlike many units on the market, this condo enjoys a prime location at the rear of the building, offering exceptional peace and quiet—a rare and sought-after feature. Built in 2004 and lovingly cared for by a single owner, the condo includes two reserved parking spaces directly in front of the unit. A sparkling community pool is just steps from your front door, and for added variety, a second pool awaits just half a mile away near the rear security gate, where you'll have two exclusive access passes. Just a mile from the scenic Waccamaw River Marina, you'll be ideally positioned to enjoy boating, fishing, and waterfront dining. Prefer to stay on land? Take advantage of walking trails, fitness centers, and multiple tennis courts, all just a short stroll from your doorstep. Set within a secluded section of a meticulously maintained, gated community, this property offers 24/7 security, year-round. And with the Murrells Inlet hospital right outside the gate, and the lively MarshWalk and vibrant Myrtle Beach just minutes away, you'll have everything you need right at your fingertips. Don't miss your chance to own a piece of this serene coastal lifestyle.
