Description

First Floor End Unit in The Battery at Park West. Discover this well maintained home, with beautiful views and close to everything. Recently upgraded with new paint (2025), new carpet (2025), HVAC (2023) and roof, this home is move-in ready. Features include dual primary bedrooms, an expansive screened porch overlooking serene woods with access from the living room and both bedrooms. The main living area has hardwood floors, with new carpet in the bedrooms. The unit comes equipped with a refrigerator. The Battery at Park West boasts an array of premium amenities: Resort-style pool and tennis courts, gorgeous clubhouse with gym, theater, billiards, and a spacious party room with a caterer's kitchen, a car care station with a vacuum and tire air pump boat and RV storage. Access to Park West's pools, tennis, and pickleball courts is included. The Battery is a gated security neighborhood for peace of mind. The monthly HOA fee means that the HOA is taking care of things you would need to take care of if you lived in a detached home - covering maintenance of roof, siding, windows, window frames, gutters, exterior doors, common areas, periodic exhaust fan cleaning, monthly pest control, trash collection, and insurance on structural building. Situated near top-rated schools, Roper Hospital, and recreational facilities like Mt. Pleasant Recreation Center. Shopping is a breeze with Publix, Harris Teeter, and Costco just minutes away. For beach lovers, Isle of Palms County Park is a mere 10 miles or a 15-minute drive.
