Description

1915 Marsh Oak Lane is a gorgeous, very well maintained two bedroom, two and a half bath, desirable end unit with a garage and carport. This unit takes full advantage of the amazing river views, and amazing sunsets from beautiful Bohicket Marina. Walking up to the front door, you will immediately notice the dedicated carport and garage, as well as the welcoming front porch to enjoy stunning marsh views! Entering into the unit, you will immediately notice the beautiful hardwood floors throughout the main living area, and lots of natural light. Being an end unit, you have a fantastic view out of the front, side and back windows, and the vaulted ceilings in the living room are perfect for enjoying time with family. The main floor features an attractive kitchen with stainless steel appliances and access to the front porch via a large sliding door, a cozy dining area, and a large living room with wood burning fireplace. The large screened in back porch is accessed through a large sliding door, and features plenty of room for entertaining, and staircase access to the ground floor patio area. An internal staircase also connects the garage area to the main floor, so you don't need to worry about the weather when accessing the unit. Both of the large bedrooms are located upstairs, and both full bathrooms have been updated. The views from the primary bedroom are absolutely stunning, and a large bay window is perfect for sitting while taking in the amazing views!! Bohicket Marina Village is located just outside of the gates of Seabrook Island, and offers owners access to Seabrook Island, and the opportunity to join the Seabrook Island Club, but membership is not mandatory. Bohicket Marina Village also features full time gated access, and a private pool for owners and guests. This is currently the only two bedroom Bohicket Villa on the market, and will not last long! Sold fully furnished with a list of exclusions.
