- No Basement

## Description

Wow this is a wonderful looking house just fully renovated, from top to bottom, better than new, I am telling ya, much better. The best part? it sits in 2.49 acres, What else? Kershaw taxes, baby! Oh, yeah get it while you can ;-) Anywho, if you are looking for privacy, you got it and much more, place to roam, expand and get all your toys and more. Brand new roof, siding, electrical and, of course, that Open Floor plan. Newly done kitchen with stainless steel appliances, granite countertops and white cabinets. Master bedroom is quite large with a spacious double vanity. Loads of room for everyone too. Tiled flooring that resembles wood is perfect for anyone who does not want to deal with carpet and/or wearing down the floors. Kershaw schools, close to Shaw AFB, Fort Jackson, easy jump to Blue Cross/Blue Shield and much more. Did i mention that the house qualifies for USDA? No? well, now you know Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
