## Description

Convenient Country Living! Looking for privacy - this 2024 manufactured home sitting on an acre is bricked in, has a screened-in porch, 12x20 deck, gravel parking and paved lined walkway to front door. The interior of this 3-bedroom, 2-full bathroom home is amazing with stainless steel appliances in the kitchen, kitchen island, separate dining area and open living room. Plenty of storage with spacious closets - especially the walk-in closet in the primary bedroom. The bathroom connected to the primary bedroom has dual sinks, walk-in shower and soaking tub. Definitely space for an additional fridge or freezer in the utility room with washer & dryer hook-up and separate entrance for day-to-day living. This property can store that boat or camper - especially with NO HOA. I promise you will love this place! Come and see for yourself.
