Description

This marsh front home blends luxury, functionality, and breathtaking natural beauty. With stunning marsh views from every level, the property features multiple decks and a screened porch--perfect for soaking in the serene surroundings. Inside, the open-concept kitchen, living, and dining area creates an inviting space for entertaining, highlighted by high-end stainless steel Thermador appliances that elevate the gourmet kitchen. The main-level primary suite serves as a peaceful retreat, offering marsh views and a spa-like bathroom with a freestanding tub, spacious shower, and generous walk-in closet. Upstairs, the thoughtful layout includes three additional bedrooms: two sharing a convenient Jack and Jill bathroom, and one with its own ensuite and private porch access. A versatile library/media room adds flexibility, ideal for relaxation, work, or entertainment (with a possible 5th bedroom option with some modification). An elevator provides seamless access from the expansive three-door garage to the top floor, enhancing both convenience and practicality. The garage itself offers ample storage and parking space. Recent updates ensure peace of mind, including a durable metal roof installed in 2017 and HVAC systems replaced in June 2023. Beyond the home, the neighborhood elevates the lifestyle with amenities like a community boat dock, swimming pool, play park, running trails, and tennis courts, plus the option to join the Rivertowne Country Club for additional recreational perks. The property is offered "AS IS," meaning the seller isn't planning to perform repairs though it's been well-maintained presenting a compelling opportunity for the right buyer. Combining serene marsh views, modern luxury, and a vibrant community, this home is a must-see for those seeking tranquility and sophistication.
