## Description

From the moment you arrive at this Craftsman-style beauty in Lincoln Park, you'll feel a sense of welcome that's hard to describe but easy to recognize. Maybe it's the charming rocking chair front porch or the way sunlight dances through the windows, spilling across the luxury vinyl plank floors as you step inside. Whatever it is, this home has a warmth and ease that instantly feels like home. With over 2,600 square feet, the layout flows effortlessly—ideal for everyday living and those special moments that become lifelong memories. On the main level, the open-concept living and dining spaces invite gatherings, whether you're hosting friends for dinner in the formal dining room or curling up by the gas fireplace on a chilly evening. At the heart of the home, the gourmet kitchen will quickly become your favorite space. Granite countertops, upgraded cabinetry, stainless steel appliances, a gas cooktop, built-in microwave, and a spacious walk-in pantry make both cooking and entertaining a pleasure. Tucked quietly at the back of the home, the main-level owner's suite provides a peaceful escape with a spa-like bath featuring a soaking tub, double sinks, a large walk-in shower, and an oversized walk-in closet. Upstairs, three generously sized bedrooms and a full bath provide space for everyone, while the loft provides flexible options—use it as a home office, playroom, or media lounge. And don't miss the 9x20 walk-in attic space, perfect for all of your storage needs. Out back, your private fenced yard is a haven of relaxation. Roast marshmallows around the fire pit, sip your morning coffee on the extended patio, or just enjoy the low-maintenance landscaping thanks to the full-yard irrigation system. Beyond the home itself, Lincoln Park provides a lifestyle you'll love—sidewalk-lined streets, a community pool, playgrounds, and even a ball field. Located in the heart of the Upstate, you're just minutes from downtown Greenville, Travelers Rest, Greer, and Lake Robinson. Whether it's city fun, mountain views, or lake days you're after, this location puts it all within easy reach. If you've been searching for a home that checks all the boxes—and feels like it was meant for you—this just might be it. Come see for yourself.
