Close to all of Easley's parks and trails, shopping, schools, and more, this completely renovated home is waiting for you to bring your decorative touch. The large covered deck on the front of the home is the ideal entertainment space for football games and cookouts. Just inside, the large living room and dining room are great for entertaining on cooler nights or rainy days. If you prefer a quieter life, the dining room makes a great reading nook or work from home office space. Curl up by the electric fireplace and enjoy it's ambience on movie night, with a big bowl of popcorn. Two bedrooms surround the original bath, and a second bath with laundry room means you're never shut out and waiting. The kitchen features beautiful wood countertops and all new stainless appliances. The back door opens onto a long backyard with mature trees and several options for extra storage. And with the home's new roof, HVAC, flooring, appliances, and updated wiring, life should be low maintenance here for years to come. Come take a look and see if this one's meant to be your next home.
