Description

SELLER WILL PAY FIRST YEAR OF HOA DUES!! Priced to Sell!! Welcome home to this exceptional 3-bedroom, 2.5-bath A-frame home with a two-car garage, perfectly situated on two spacious lots in the highly sought-after Chickasaw Point subdivision. As you approach, a newly constructed walkway and pressure-treated deck lead you to the entrance, where floor-to-ceiling A-frame windows fill the open-concept living, dining, and kitchen areas with natural light. The space is enhanced by beautiful engineered hardwood flooring, a striking stone wood-burning fireplace, and a kitchen featuring brand-new appliances—all of which will remain with the home. The rich cedar ceilings add warmth and character, creating a truly inviting atmosphere. The main level offers a thoughtfully designed layout, including a primary suite with an ensuite bath and walk-in closet, a second bedroom, a full bathroom, a laundry room, and a versatile second living area—currently used as a billiard room—also featuring engineered hardwood flooring. Upstairs, a private suite with a half bath has been fully remodeled and showcases the same stunning cedar ceilings. Additional updates include a brand-new roof and a 10x12 outbuilding, which will remain with the property. This home backs up to fairway six of the golf course and provides access to a wealth of community amenities, including a swimming pool, lake access, a beach area perfect for enjoying afternoon sunsets, a pavilion for cookouts, a brand-new clubhouse, a playground, a dog park, pickleball courts, and fitness equipment. A scenic walking trail is also coming soon. Don't miss the opportunity to own this remarkable home in a premier location! Schedule your showing today. Back on the market at no fault of sellers.
