Description

Welcome to your new home in an area of Summerville with a country feel. This is a beautiful, MOVE-IN READY home in the DD2 school district, a golf cart ride away from shopping and dining in Knightsville, and 8 minutes from historic downtown Summerville. The full front porch begs for a morning coffee or afternoon sweet tea. Formal dining room immediately when entering has a fabulous chandelier OR reimagine this space as a study/office with barn doors. Next you find the open concept family room and eat-in kitchen with granite countertops, tasteful soft-close cabinets and a refrigerator that stays. All bedrooms are upstairs. The only carpet in the home is the stairway and upstairs hallway. The primary suite features a beautiful ceiling fan, when connected to the app has music and a light show! Updated ensuite has dual sinks, garden tub, separate shower and a custom built closet space. Generous sized bedrooms 2 and 3 share a jack and jill bathroom. The huge FROG could easily be bedroom number 4, a workout room, hobby room, or whatever your need may be. Lots of storage and natural light in this home! Laundry room upstairs and washer/dryer convey. The security system can be transferred to the new owner. NEW ROOF! If you're looking for a convenient location to access I-26, West Ashley, downtown Charleston, JT Base Charleston, Boeing, Volvo or the beaches...you found it!
