Description

Lakeside Living, Reinvented! A home with More than meets the eye. Some homes make you feel something the moment you walk in. 2002 Lystra Rd is one of them. Maybe it's the open floor plan with lake views, or the peaceful cove with a private dock and boat ramp. Maybe it's the guest apartment above the detached garage, complete with a full kitchen, bath, and laundry- a space that can be whatever you need it to be: a studio, a rental, a retreat. And then there's the covered carport under the house, where a workshop is waiting for your next big idea or project, or just sit and enjoy the patio area with friends. This home isn't just a place to live, it's a place to thrive! Ready to experience it for yourself?
