Description

Welcome to this impeccably renovated three-story townhouse nestled in the sought-after Hampshire at Park West community--offering turnkey convenience. Inside, you'll find a showstopping chef's kitchen outfitted with brand-new appliances, custom inset cabinetry, honed marble countertops, an unlacquered brass faucet and matching hardware, a generous farmhouse sink, and a butler's pantry for added storage and prep space. The centerpiece: a stunning ILVE gas range. Throughout the home, refined details shine--crown molding, newly refinished hardwood floors (including new installations in the primary suite, hallway, and staircase), fresh interior paint, classic plantation shutters, and soaring 9-foot ceilings. For added accessibility, an existing elevator shaft connects two levels. The spacious, open-concept great room is ideal for hosting or relaxing, offering a seamless flow for everyday living. Unwind in the expansive primary suite, complete with a tray ceiling, dual walk-in closets with custom built-ins, and French doors that open to a peaceful screened-in porch equipped with privacy shades and tranquil views of the pond. The en-suite bathroom offers a spa-like retreat with a step-in shower, large corner soaking tub, and dual-sink vanity. A conveniently located powder room and laundry area round out the main living floor. Upstairs, you'll find three spacious guest suites each with its own private bathroom and ample closet space. One of the bedrooms also opens to its own private porch, perfect for quiet mornings or evening breezes. On the lower level, a drive-under garage provides parking on one side, while the opposite side houses a versatile flex space ideal for a media room, playroom, or guest quarters. Additional highlights include a large storage room, a fifth bedroom currently used as a home office and gym, and a practical mudroom/drop zone as you enter from the garage. Additional highlights include new LiftMaster garage door opener, rebuilt front deck and 4-year old roof.
