Description

Nestled along the scenic fairways of Camden Country Club, this charming 2-bedroom, 2 1/2-bath townhome provides a unique blend of low-maintenance living and peaceful, golf course views in one of Camden's most desirable areas. Located on Polo Lane, a quiet, winding road just minutes from downtown, this property is surrounded by the beauty of Camden's equestrian history—pass polo fields, a gentle creek, and the iconic Steeplechase Race Course on your way home. Inside, the two-story layout features light-filled living spaces, spacious bedrooms, and timeless Southern charm. Enjoy your morning coffee from the partially wrapped covered front porch, or unwind in the evening on the large back deck overlooking the golf course—your private backyard oasis. With very few townhomes available in Kershaw County, this home stands out as a rare find in a highly desirable location. Convenient to shopping, dining, and everything historic Camden has, yet tucked away in a serene setting. Don't miss your chance to own this special piece of Camden living!
