Description

TOTALLY RENOVATED! Conveniently located! This move-in ready first floor home is in Greenslake Condominiums. Upon entering you will be greeted with new laminate wood flooring and fresh paint throughout. As you make your way through you will notice the openness makes it feel larger. The family room has a fireplace and a new ceiling fan. The sliding glass door provides natural lighting. The kitchen has white cabinets with above display space. The sink and faucet as well as the quartz counters are new. The stainless appliances are also new. They include a dishwasher and a smooth top range. The large pass-through gives it a open feeling. The dining area has a beautiful light fixture. No trips to a laundromat are needed with the laundry closet. The master bedroom has a new ceiling fan and a large closet as well as a new sliding glass door leading to the patio. The all-new master bathroom has a tub/shower combo. The second bedroom has a new ceiling fan and a new sliding glass door leading to the patio. The all-new hall bathroom has a tub/shower combo. You will not be limited on places to enjoy the outdoors. The covered patio off the bedrooms will be a nice place to enjoy your morning coffee with the privacy fence. The screen porch is a great place to enjoy your evening wine, bugs free while watching your pets playing in the green space. The location is convenient to the Navy base, shopping and schools. The HOA takes care of the exterior homeowners insurance, covers all exterior maintenance on the buildings to include the siding, balconies and roofs, termite bond, landscaping and access to the community pool and ponds. The regime does not allow short-term rentals or investment rentals, so the buyer must be an owner-occupant at the time of purchase, The entire condo has new PEX plumbing and no longer contains polybutelene pipes. This is a huge savings for the future buyer.
