## Description

Craftsman-style home in The Reserve at Richglen with all the right spaces in all the right places. With 3 or 4 bedrooms and 3.5 baths, this one has the flexibility to fit your needs. Step inside and you'll immediately notice the high ceilings and all the natural light—it just feels good in here. The main-level primary suite includes double sinks, a large walk-in shower, and a generous walk-in closet. Upstairs, there's a loft that makes a great hangout space or casual den, plus an oversized flex room that could easily serve as a fourth bedroom. Two full baths upstairs add to the functionality. Outside, you'll find a screened-in porch that's perfect for morning coffee or winding down in the evening. The yard is low-maintenance, and the landscaping has been designed to be easy to care for while still looking great year-round. The neighborhood is quiet, walkable, and well-kept—one of those rare spots that just feels like home. It's the kind of place where neighbors wave, and you actually want to take evening strolls. Located just minutes from award-winning schools, great restaurants, shopping, and medical care—this one checks a lot of boxes.
