Description

The stars have aligned at 203 Rising Star Court...Set in the sought-after Estates at Creekside and zoned for Lexington One Schools, this beautiful brick home is perfectly positioned on a corner lot, offering ample privacy. As you step inside, you'll immediately notice the 10-foot ceilings and hardwood floors throughout the main living areas. The large formal dining room features coffered ceilings and a convenient wet bar just around the corner—making it perfect for entertaining. The kitchen is filled with natural light and includes stainless steel appliances such as a gas stove, a new dishwasher, and a built-in oven. You'll also enjoy the eat-in island, a pantry, and a separate breakfast area with charming bay windows. The living room offers generous space, a cozy stone gas fireplace, and access to the fully fenced-in backyard. From here, you are led into the oversized primary suite, conveniently located on the main level. It features tray ceilings and a spacious ensuite bathroom with a stand-up shower and a separate garden tub. Upstairs, you will find a versatile flex space—ideal for an office or playroom—along with three generously sized bedrooms. One is large enough to serve as a second primary suite with its own private bath, while the other two share a Jack and Jill bathroom. One of the standout features of this home is the private backyard, which includes a covered patio, a beautiful hot tub (which will remain), and a fully equipped outdoor kitchen—perfect for relaxing or entertaining year-round. Additional highlights include a two-car garage, irrigation in both the front and back yards, updated landscaping, covered shades, full gutters, and a tankless water heater.
