Description

Nestled in a quiet cul-de-sac, in an idyllic charming setting, step onto the front porch of your dreams! Upon entering the home, you will find an open and inviting living room that flows effortlessly into the dining room. Notice the tall ceilings! In the kitchen you will find all the modern-day appliances including a brand-new refrigerator. Upstairs you will find a spacious primary bedroom with its own private bathroom. There are two additional bedrooms that share a private bathroom. There is also an additional oversized flex space that can be used as an office, recreation room, or create a fourth bedroom! The exterior space is not lacking with a large deck that overlooks the yard and a two-car garage with plenty of space for storage. Elevate your way of living and schedule your showing! Disclaimer: I hereby certify that I personally verified this listing and that it accurately represents the property to be sold, including its ownership, to the best of my knowledge, information and belief.
