Description

Looking for an affordable home with room to grow? This charming single-wide has been thoughtfully expanded and even comes with a great bones including a two year old roof and Trane HVAC system--yes, please! Tucked away at the end of a peaceful cul-de-sac, this home has fabulous curb appeal and tons of potential to make it your own. Step inside and you'll find a cozy sitting room that flows right into the kitchen--perfect for morning coffee or catching up with friends. A spacious bonus living area was added on and leads out to a convenient storage space. The primary bedroom is privately set on one side of the home, while the secondary bedrooms are on the opposite end, giving everyone their own space. Need a home office, craft room, or playroom? There's an extra flex space just waiting for your personal touch. You'll also love the oversized laundry room (so much space!) and the separate dining room that opens up to a massive deck ideal for entertaining or soaking up the sun. All of this sits on nearly half an acre in a quiet, established neighborhood. And yes, there's a huge storage shed out back to hold all your extras. It's a fantastic opportunity to add your style and make this gem shine. Don't miss it!
