## Description

Don't miss this wonderful home on a corner lot in West Ashley in the Forest Lakes Subdivision. This home sits on almost 1/3 of an acre with a privacy fenced yard. As you enter the home you are greeted by a nice-sized Foyer with a large formal living room and a formal dining room to the left. Before you get to the family room there is a door to the right that leads to a hidden half bathroom and a private office space. The family room has beautiful wood flooring, and a gas log fireplace, and is open to the kitchen. The kitchen has updated white cabinets, some with pullout drawers, stainless steel appliances, and a built-in pantry. A 352 SF "All Seasons Room" was added to the home around 2017 complete with a mini-split HVAC unit. Off of this room, there is an 11.3 ft by 17.5 ft deck. There is a separate laundry room that leads out to the garage area. The garage has a large workbench and is perfect for extra storage. Upstairs, you will find a large Owner's Retreat with a walk-in closet and an updated tile shower. There are also 2 nice-sized bedrooms and an additional full bathroom upstairs. Most of the windows in the home have been replaced with vinyl windows. There is a brand new gas tankless water heater that was installed in May 2025. Schedule your private showing today!
