Description

Just minutes from I-85 in a prime Piedmont location, this home delivers space, style, and flexibility—whether you're dreaming of multigenerational living, income potential, or room to spread out. With 5 bedrooms and 3 full baths across approx. 2,400 +/- SF, there is plenty of space to go around! The main level features 3 bedrooms and 2 baths, all with new warm-toned LVP flooring and neutral paint that flows seamlessly throughout the home. A spacious living room is grounded by a brick wood-burning fireplace and opens into a light-filled dining area—perfect for gathering friends or enjoying weeknight dinners. The kitchen features white cabinets, granite countertops, and a clean, timeless style. A stylish black door leads out to a large back deck overlooking the 0.69 acre lot. Downstairs? That's where the magic continues—with 760 SF of finished walkout basement space that includes 2 flex rooms (use as bedrooms, gym, or rec rooms!) a common space, and a full bath, plus interior access to an oversized 2-car garage with workshop space. The large concrete driveway with an extra parking pad makes life easier whether you're hosting or hauling. Extras include a large walk-in laundry room with built-in cabinets and—wait for it—all appliances convey! It's all here: space to spread out, storage where you need it, and endless potential to shape it to your lifestyle. This one's a standout—don't miss your chance!
