Description

Welcome to the gathering place you've been searching for — a truly stunning home offering space, style, and unmatched functionality. This expansive property is filled with thoughtful features and abundant storage throughout. The heart of the home is a gourmet kitchen, complete with custom cabinetry, granite countertops, stainless steel appliances, and ample prep space — perfect for both everyday living and entertaining. The main-level primary suite offers a cozy fireplace and a well-designed en-suite bath that ensures personal space and privacy. Upstairs, you'll find four generously sized bedrooms, a dedicated office, a massive FROG (Finished Room Over Garage), and two full bathrooms — complementing the 2.5 baths on the main level. Step outside to your personal oasis: a 24x12 covered terrace overlooks a sparkling in-ground pool and an expansive infinity deck with serene views of the wooded backyard and creek beyond. The fenced-in yard also features a large paved firepit area and even a treehouse — ideal for both relaxation and play. This is more than a home; it's a place where your family can grow, connect, and create lasting memories. Schedule your private showing today!
