Description

Welcome to one of the rarest finds in Carilion—a stunning 3-bedroom, 2.5-bath home that blends timeless style, thoughtful design, and an unbeatable location. Built by Quinn Satterfield, this beautifully crafted home features gleaming hardwood floors and a rare 3-car garage with power—perfect for a workshop, EV charging, or extra storage. The main level offers easy, elegant living with a light-filled open floor plan designed for both comfort and function. The spacious primary suite provides a peaceful retreat, while the heart of the home—a gorgeous white kitchen—features a large center island, perfect for casual dining, prep work, or gathering with friends and family. From the kitchen and living area, step out onto a serene screened porch that leads to a deck—your private escape for morning coffee, quiet afternoons, or evening get-togethers under the stars. Upstairs, you'll find two generous bedrooms, a full bath with double sinks, and a large den with a built-in wet bar—perfect for movie nights or entertaining. A bright, oversized office offers a quiet space to work or create, and there's plenty of storage throughout. Located in the heart of the desirable Carilion community, you'll enjoy neighborhood sidewalks, a sparkling community pool, and beautifully maintained green spaces that invite outdoor living. Plus, you're just a short drive to Green Valley Country Club, the Swamp Rabbit Trail, Furman University, and the shops and restaurants of downtown Travelers Rest. This is Carilion living at its best—with rare extras, smart design, and a location that's hard to beat.
