Description

Tucked away on a massive corner lot which backs right up to the scenic Goose Creek Bike Trail in the highly sought-after Pineview Terrace neighborhood, this freshly renovated home is more than just move-in ready--it's a place where new memories are waiting to be made. From the moment you arrive, you'll feel the warmth and pride of ownership. The entire home has been freshly painted inside and out, with new luxury vinyl plank flooring flowing seamlessly throughout for a clean, modern touch. Inside, the open concept floor plan creates an easy, natural flow between living, dining, and kitchen spaces--perfect for both everyday living and effortless entertaining. The kitchen features sleek stainless steel appliances with a brand-new built-in microwave and just two-year-old refrigerator and range, and a layout that makes cooking and connection come naturally. The washer and dryer are also included, making your move even easier. The bathroom has been fully renovated complete with a custom tile tub surround and floating vanity. All of the major components including the roof, PEX plumbing, and hot water heater were replaced within the last three to four years and the HVAC system was upgraded in 2019, ensuring year-round comfort, efficiency and low-cost home ownership. Additionally, LeafGuard gutters were installed two years ago. A two-car detached carport offers added convenience, and two storage sheds provide plenty of extra space and/or a perfect workshop and convey as-is. Step outside to your fully fenced backyard oasis which backs up to the scenic Goose Creek Bike Trail perfect for morning walks, weekend rides, or peaceful sunset strolls. The oversized corner lot offers endless potential for gardening, play, or entertaining and the huge patio is begging for a fire pit or outdoor furniture to truly take advantage this dream yard. Located in one of the most convenient areas of Goose Creek, this home is within walking distance to Westview Elementary and Middle Schools, as well as local restaurants, grocery stores, and the beautiful Wannamaker North Trail. With Highway 52 just a few minutes away, and HWY 26 and Trident Hospital less than 10, this is not only an incredible place to live but also a commuter's dream. Whether you're upsizing, downsizing, or searching for the ideal investment property in a great location, 209 Pineview Drive offers the perfect blend of modern updates, timeless charm, and an unbeatable location.
