Description

Expansive Family Retreat (3327 sq ft): This expansive 1.5-story Adams Homes design offers a wealth of space and versatility, perfect for growing families or those who love to entertain. Enjoy the convenience of four bedrooms on the main level, including a master suite featuring a luxurious bath and walk-in closet, providing a private sanctuary. The heart of the home is an open-concept living area, seamlessly connecting the chef-inspired kitchen – complete with elegant quartz countertops – to the dining and living spaces. This layout is ideal for hosting gatherings and creating lasting memories. Upstairs, discover a generous recreational room, offering endless possibilities for a media center, playroom, or home gym. An additional bedroom upstairs alongside the recreational room adds to the flexibility of this floorplan, creating a total of five bedrooms throughout the home. This allows for ample space for family, guests, or dedicated home offices. Practical amenities include a central laundry room and a spacious 2-car garage. Step outside and unwind on the extended covered back porch, perfect for enjoying outdoor living and entertaining year-round. Experience the renowned craftsmanship of Adams Homes and enjoy a home designed for both comfort and style.
