Description

This newly-renovated bungalow sitting on a corner lot is conveniently located to downtown Greenville. The interior of this cozy ranch has been renewed and offers a very functional floorplan. The colors are light and bright with new neutral carpet in the bedrooms. An eat-in kitchen is the perfect gathering spot and additional dining space may be set up in the combo living/dining area. The walk-in laundry area is situated next to the kitchen and opens to a deck. *Please call listing agent for additional information* You're welcome to measure the rooms if square footage is important to you and please note this property is located in a flood zone. Home has been virtually staged. Refrigerator not included in sale.
