Description

PRIME TIME to get into a first floor one story unit at popular River Point Row Community on James Island! This two bedroom unit is perfect for someone who wants to enjoy all that living in Charleston has to offer without the upkeep of a single family home. Luxury vinyl plank flooring has been installed throughout the home which offers two bedrooms and one full bath. The family room is surprisingly large, too! There are amenities for residents including a pool, play area, and basketball courts. The HOA fee includes your water and sewer, flood insurance for the building, and a termite bond for the building as well. As an added bonus, you can walk to Starbucks, Planet Fitness and Aldi's among other local businesses. This ideal location puts you 10 minutes to Historic Downtown Charleston and 10 minutes to Folly Beach. This is a special opportunity so don't delay in seeing this little gem before it is too late!
