Description

Spectacular full ocean view from this 14th floor condo's living area and balcony! This is one of the few condos available anywhere on the beach that features a full bath and a half bath in a one bedroom unit. It shows beautifully. Located in the very desirable far north end of Myrtle Beach, this unit is freshly updated with new paint throughout and new leather furniture in the living area. The bathrooms have been updated recently with a walk-in shower featuring true tile surrounds. Vanities have solid surface counter tops. Sleeps six. Two doubles in the master and a murphy bed in the living area. Big screen TVs in both rooms. The swimming pool is conveniently located adjacent to the building. A brief elevator ride and a walk across the front lobby, and you're there. All other amenities of the Ocean Dunes property are available to the owner. This 14th floor location offers a gorgeous full ocean view from the private balcony, as well as long beach views to both the north and south. Excellent restaurants are available in this neighborhood, from fast food to fine dining. Abundant night life as well. This condo checks all the boxes of why you buy a place at the beach!
