Description

This custom-built home, completed in 2019, is in excellent condition and exudes modern charm. A welcoming front porch invites you inside, where a spacious foyer opens up to an open-concept living area. The gourmet kitchen is a true highlight, featuring a gas range, quartz countertops, stainless steel appliances, Shaker-style cabinetry, and a large central island--perfect for both cooking and entertaining. The living room, bathed in natural light, boasts stunning tray ceilings, adding an extra touch of charm. The adjoining eat-in kitchen area seamlessly ties the space together, making it ideal for daily living and social gatherings. The primary suite, conveniently located on the main level, offers views of the backyard, with tray ceilings and an en-suite bath that includes double vanities, a luxurious jacuzzi tub, and a professionally designed walk-in closet. Bedrooms 2 and 3 are located at the front of the home, providing a sense of privacy from the primary suite. Both rooms are generously sized, with double-door closets, and share a full bathroom in between. Upstairs, the versatile 4th bedroom is above the garage and features a walk-in closet, plus two additional finished storage areas. This spacious room can easily accommodate both a bed and a recreation area, making it perfect for a guest suite, playroom, or home office. Plus, it offers easy access to a large attic storage space. Outside, the screened porch offers a peaceful retreat, with a step-down patio that leads to a beautifully landscaped, fully enclosed yard with a privacy fence. Situated just 10 minutes from both downtown Charleston and Folly Beach, this home is also within walking distance to scenic trails and minutes from the popular James Island County Park.
