Description

An icon to Myrtle Beach and the Boulevard is the Breakers Resort which encompasses the Sailfish Resort and the Strand Resort. How fun to enjoy 3 resorts in one, but get an opportunity to purchase the least expensive condo in all 3!! Indoor pools, outdoor pools, lazy river, pool bar, onsite cafe and an indoor water park! Plus, they have just built a brand new Marriott next door that allows use of their amenities, too! This ocean front, one bedroom, full kitchen and balcony is upscale and totally ready to move in with all new interior design...sleeps 6 with the 2 queens, sleeper sofa and Murphy bed. Fly in and forget the rental car because you can walk to so many restaurants across the street, and of course, the awesome Boardwalk. What a great investment to use when you want and rent out to cover your costs when you're not! Interior electric and all insurance covered in HOA fee.
