Description

Beautiful 3BD/2BA home with loft area in the Martin's Trail neighborhood. Within close proximity to all Anderson has to give along with a seamless drive to downtown Greenville. The house has an open concept and vaulted ceilings in the main living room. The living room flows seamlessly into the dining spaces and kitchen. From the kitchen, you walk out onto a beautiful patio with built-in fire pit. Spacious enough for dogs or kids to run freely. The other side of the house offers the three rooms with two full baths. Upstairs, there is a great finished loft room over the garage. Perfect for an office, playroom, workout room, or whatever you need.
